

Bay Area Ipsalu Tantra Kriya Yoga

*"Ipsalu Tantra Kriya Yoga
Level One Intensive"
For Singles & Couples
With Claudia Weitkemper*

April 19.- April 21. 2019

Break through your limitations, Discover your Magnificence!

"Learning to Live in Bliss" is not just another event to leave you in "information overload" and no real changes in your life...this event will give you powerful tools to transform your life, that you can manifest your souls purpose. This dynamic weekend is for you if you want to experience

- the fulfillment of growing spiritually while expanding your capacity for sensual joy.
- unleash your full creative expression, passion and aliveness.
- develop your feminine radiance or your deep masculine consciousness, to become more magnetic and charismatic in your business and intimate relationships.

\$350 early registration / after March 1. \$395

Couples \$640 / after March 1. \$699

Includes course fee, take home material & practice CD.

Claudia Weitkemper is an European Wisdom Coach and Healer, with over 25 years of experience with Chinese, and Naturopathic Medicine and as a Nurse. Also an accomplished Teacher of Ipsalu Tantra Kriya Yoga and EVOLVE Coaching to move Energy and create states of Bliss naturally. She is deeply committed to inspire you to raise your vibration & joyously live a fully empowered life with health, vitality & passion.

Learn the cosmic "CobraBreath"

A powerful breath & energy technique, that awakens your third eye and transforms sexual energy into greater vitality, joy, creativity and spiritual awakening.

- A quick 5-step practice method, which allows you to live as "Love" in daily life
- Learn how to still your mind and release tensions and judgment within minutes,
- The proven steps to safely awaken your cosmic consciousness, Kundalini.
- Andif you ever feel blocked by emotional issues that hold you back from success, you'll learn how to get "unstuck" and back into your flow, that you can shine your light, live freely and authentically and be empowered to manifest your heart's desire.
- Deepen your love by generating and containing more personal energy.
- A daily spiritual practice that brings out your highest potential and helps you to live in connection with the "Divine".
